A EMPRESA

A Cerâmica Nichele é uma fabricante paranaense de tijolos, blocos estruturais, canaletas, lajotas e miniaturas, reconhecida pela entrega ágil e pela confiabilidade operacional, com infraestrutura de mais de 11.000 m², fábrica automatizada, equipamentos de última geração e frota própria, atendendo com qualidade o segmento da construção civil há décadas

Mais de 11.000 m² de área fabril dedicados à produção e armazenagem, assegurando capacidade elevada e operação contínua para atender demandas com eficiência.

Fábrica automatizada

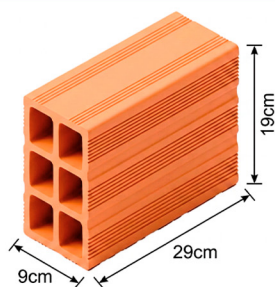

Equipamentos de última geração e automação elevam a eficiência e o controle de qualidade, permitindo maior capacidade produtiva com acabamento superior e tolerâncias rigorosas em cada peça.

Frota própria

Nossa frota garante controle total dos prazos e rotas, entregas mais ágeis e previsíveis, além de maior cuidado no transporte dos materiais do pedido até a obra, reduzindo avarias e assegurando que cada carga chegue no tempo certo.
